VOTE NO PROP. 1

Idaho's Defense Of Life Act is already working to keep babies protected and mothers safe. Vote NO on Prop 1 to:

EMPOWER WOMEN

Support women and encourage them to choose life!

PROTECT FAMILIES

Protect parents' rights to be involved in their children's health.

DEFEND LIFE IN IDAHO!

Stand up for the unborn babies who cannot advocate for themselves!

BISHOP PETER HAS CALLED US TO TAKE ACTION. ELECTION DAY IS NOVEMBER 3RD.

"If passed, Prop 1 would remove nearly all protections for pre-born babies and put vulnerable women at risk."

–Most Reverend Peter F. Christensen

WHAT YOU NEED TO KNOW ABOUT PROP 1

LEARN HOW THE "REPRODUCTIVE FREEDOM AND PRIVACY ACT" WILL ENDANGER WOMEN & CHILDREN IN IDAHO

ABORTION UP TO BIRTH

Prop 1. legalizes elective abortion up until "viability", but defines viability so loosely that it would legalize abortion up to 9 months with very loose restrictions.

NO PARENTAL CONSENT REQUIRED

Prop 1. would allow minors to obtain an abortion (as well as other medical treatment) WITHOUT parental consent.

ENDANGERS WOMEN

Prop 1. allows any "health care worker" to perform abortions. This includes midwives, dentists, abortion clinic employees, etc.
This will risk women's lives!

IT IS NOT THE "HEALTH CARE" ACT IT CLAIMS TO BE

VOTE NO ON PROP 1

BISHOP PETER HAS ASKED OUR CATHOLIC COMMUNITY TO:

PRAY

"Entrust this matter to the Lord. Prayer has the power to convert hearts, clarify minds, and guide our efforts according to God's Will."
Bishop Peter has encouraged individuals to consider prayer and fasting, especially on Fridays.

BE AWARE

"It is essential that Catholics understand the legal and moral implications of this proposal."
We are encouraged to learn about Prop. 1 and reflect upon it prayerfully while sharing accurate information. By doing this, we may make informed decision guided by truth and reason.

TAKE ACTION

"Be actively engaged in defending the dignity of human life and the rights of parents. It is important for you to become active in defeating this initiative."
Being pro-life, we must compassionately support women and children in Idaho.
